Welcome back for Term 4. I would like to thank staff, students and parents for the warm welcome as Principal. I would also like to acknowledge John Conway for his passion for education and dedication to Greensborough College as our past Principal.

It is an honour to be the next Principal of Greensborough College and I have been energised by the positive environment and Greensborough community. We have so much to be proud of and I have been reminded of this whilst meeting individually with staff and parents over the last two weeks. Our students, staff, curriculum programs and extra-curricular offerings, extensive grounds, parent’s involvement and the strong sense of community are what I am particularly proud of. With the commencement of our rebuild planning which include our brand new 21st century education spaces is very exciting for our school community.

We will continue to focus on maintaining our high expectations and embodying our College values in all we do. It is vital that we respect each other, ourselves and our environment. This includes taking pride in our school and our commitment to education, wearing our uniform correctly, ensuring we are coming to school on time and ready to learn every lesson. By doing this we will be striving for excellence and achieving our personal best. Our sights must always stay firmly focused on learning, growth and development.

Term 4 is the culmination of our learning for the year and our Senior students are actively preparing for their final day of formal classes, VCE exams and life in the workforce. It is a time of mixed emotions as we prepare to say good bye and good luck to our students who have been an integral part of our school for the last six years, but also excitement as the doors for their next chapter open. Celebration Week has begun with the first of our Year 12 dress up days today ‘Character Day’ followed by our last Year 12 assembly and morning tea farewell next week. Thank you for your cooperation in ensuring our uniform is worn correctly. It is important for our school that we have a consistent approach to our school uniform and we have been explicit in ensuring all students are informed regarding our uniform requirements. We will continue to maintain our student uniform and presentation expectations.

Tomorrow is our school Fair, which has been the vision of our Parents and Friends Committee. This truly highlights the community spirit of our College and our focus on collaboration as we celebrate our 25th birthday with a huge party. I am looking forward to having the opportunity to speak with you during the day and hope that you will all find the time to visit the school and celebrate with us during the day. This is an event not to be missed. A huge thank you to Margaret McNicol, the hard working parents of our PFA, our school staff and student leaders. All of whom have been working behind the scenes and given up their time to make our Fair the best it can be. We are also opening our Arts Carnival tomorrow and this is a true celebration of the talent of our students and the dedication of our Visual Arts Team.
Greensborough College is committed to being a School for our community. The College is dedicated to preparing all students for successful and meaningful citizenship through encouragement to strive for excellence. All individuals will be treated with care and respect. The College will provide a welcoming and friendly environment for all members of the College community.

Principal’s Report

Staffing
Welcome back to Roz Manly and Marilyn Wood from Long Service Leave during Term 3. Thank you to Jackie McDonald for her work with us whilst replacing Roz. Also thank you to Louise Byron who was teaching classes for us last term. Jacqui will continue to teach a class part time this term. Marie Filippone will also continue with us whilst Maria Cerra is on leave.

Save the Date
We will be running a parent school rebuild vision workshop on Thursday 4th November from 5.30pm to 6.30pm. We will provide more details closer to the date.
I look forward to working with you in my new role as College Principal and I wish you all the very best for the term ahead.

News from Greensborough College
Student Leadership Positions
During this week interviews were held for the Student Leadership Positions. These positions include College and Vice Captains, House Captains and SRC Presidents. Each student who applies is required to submit a written application addressing set criteria and the application must also include a resume. Students were then required to sit a formal interview in front of an interview panel comprised of the Leadership Coordinator, the Year 12 Coordinator and an Assistant Principal. Whilst there were a few nervous students, they all did very well and I am extremely proud of every one of them for completing this very ‘daunting’ process. We will inform the students sometime next week about the outcome of these positions.

Principal Detentions
Given that some students have difficulty completing Principal detentions after school it has been decided to run two lunchtime detentions during the week. These will be held on a Monday and Friday. Students who do not attend a lunchtime detention will be issued with a Tuesday ‘after school’ detention. If this is not completed they will then be issued with a Saturday detention. In keeping in line with the lunchtime detentions, Coordinator detentions will now be held on a Tuesday Lunchtime. We ask that parents ensure their child completes any lunchtime detention so that it does not escalate into anything more serious.

Annual College Art Exhibition
This year the Grand Opening of our Art Exhibition will be held in conjunction with our College Fair tomorrow at 12.00pm in the School Gym. I have already had the privilege of looking over the artwork as the Principal and Assistant Principals are asked to select one piece that they like the most and which we may be able to have on display in our office. It was extremely difficult to select just one piece this year as there were many that I could have selected with artwork ranging from photographs, drawings, sculptures, media and skateboards. The talent of the students at Greensborough College is amazing and it would certainly be worth your while to drop into the Exhibition whilst you are attending the Fair.

Have a great weekend (and see you at the Fair)

Assistant Principal
ART DEPARTMENT

It has been an exciting start back to school for Term Four with the year 7s and 8s about to begin their final topics for the year with the year 7s currently finishing off their printmaking unit on Margaret Preston and about to start a unit of work on design and the year 8s currently completing their Australian Impressionism paintings and moving on to complete a textiles unit of work.

In the middle school years the photography students are working hard on a range of photographic techniques focusing particularly on the use of digital SLR Camera’s and using the manual functions to enhance their photographs. In Painting, Drawing and Vis Com the students are finishing off a range of beautiful paintings and drawings. In Ceramics and Sculpture the students are currently at the firing stage and are getting all of their ceramic works ready to fire in our brand new kiln. And lastly in Media the year 9s are currently completing a unit of work on claymation and short film which were all very exciting to see. The year 10 media students have just completed a film study on the Independent New Zealand Film ‘Boy’. This theoretical study is basis for their final assessment this semester where they will be working in groups to make short films either on promoting the school or on an anti-bullying campaign. We wish them luck in their filming.

In the senior school the year 11s are in their final weeks of class with only one outcome left to complete in Unit Two before completing a end of year exam and moving onto early commencement. In the Year 12 subjects of Studio Arts, Media and Visual Communication Design the start to Term Four has been quite busy and fast paced with all students finishing off their Unit Four curriculum which included their major folio’s and finals for the year, and are now preparing for their upcoming VCAA exams. We are confident they will all do very well on their exams from the hard work and dedication they have shown to their studies in 2015. We would also like to wish the Year 12 students who have applied for the VCAA Season of Excellence for 2016 in Top Design, Top Arts and Top Screens good luck with their applications, this year’s cohort did exceptionally well on their SAT folios with many students receiving a grade of A or A+.

We invite you all to come and see the amazing works the Year 7s through to 12s have made this year in their art classes at the 2015 Greensborough College Art Show being held this Saturday from 10am - 4pm in the Drama Room with the Official Opening and Award Ceremony being held at 12pm in the Gym.
Following the success of the past two years’ Cabarets, we are delighted to announce that this year we will continue with this format. It will be held in the College Gym on Wednesday, 28th October, at 7pm. This Performing Arts event has a “Fantasy” theme, therefore all participants are asked to dress in a costume that supports the theme.

You, the audience will be seated at tables. Tickets will be limited to 5, so we will be asking who you would like to share your table with. When calculating your tickets do not include the Cabaret performer in your numbers. You are also invited to BYO food and drink for your table to enjoy. Alcohol may be brought to the evening but may only be consumed by persons over the age of 18. No current student of the College regardless of age may consume alcohol as this is an official school event.

Tickets for the Cabaret can be booked via Trybooking http://www.trybooking.com/JJIK. If you do not have access to the internet we have a computer available in the General Office foyer for your use. The booking system will open on Wednesday, 14th October in the afternoon and close on Sunday, 25th October.

The ticket prices are: $12 Adult  
$8 Student/Child  
$25 Family (2 Adults and 2 Students/Children).

There is a 30 cent processing fee for every ticket purchased electronically. Cabaret tickets will also be available via cash payment at the General Office until Friday, 23rd October. Please contact Jenny Hammond or Sheryl Johnson.

Prior to the Cabaret, performers need to assemble in G01 (Drama Room) at 6.30pm sharp, and get ready for their act. We will try to organize a live feed that students can watch before going on stage. Every performer will be involved in the Cabaret Finale.

If you have any further questions please feel free to contact Svetlana Ryzhikh (in regard to the program and your child’s participation) or Jenny Hammond (in regard to tickets) on 9433 2666.

Thank you for your support and we look forward to seeing you at the Cabaret!

Sport Report

Fantastic results from the Northern Region Athletics Day held last term with a first placing for Bailey Grioli in the 400 m and two firsts for Jonah Potter in High Jump and Long Jump. Both boys are off to the State Finals next Tuesday. We wish both of you great success.

At the NMR Athletics medals also went to Taylah Barbara (2nd and 3rd), Bailey Grioli (two 2nds), Claire Lewis (three 2nds) and Steven Toufas (3rd). Liam Waldron, Aiden Interlandi and Alex Ristevski rounded out our small but impressive squad.

Yesterday, Thursday 15th October our Intermediate Boys Basketball Team was successful as they competed in the NMR Finals at Coburg. On Wednesday next week (21st October) we have both our Boys and Girls Year 8 basketball Teams making the same journey. A big thanks to Mr Ting (Intermediate) and Mr Maloney (Year 8) for coaching these teams. Our Basketball teams have been very strong in 2015.

On Wednesday 28th October the current Year 8s and 9s will combine in Volleyball, Cricket and Tennis as they begin their 2016 Intermediate Teams. Good luck and enjoy yourselves.

Ciao a tutti!

Over the last week of school and the first week of the school holidays, 28 students (from years 8-12), 3 teachers and 2 helpers embarked on the trip of a lifetime to Italy!

It all began at Melbourne airport, where, after a sad goodbye to our friends and family we were off to start our journey! But first we had to get through the long 14 hour plane ride from Melbourne to Doha and then our 6 hour flight from Doha to the beautiful Italian city of Rome! And believe me, it didn’t take long for us all to get into the Italian spirit. As soon as we got a taste of the creamy Italian gelati and the flavoursome pizza, we felt like true Italians. Especially with our ‘wide Italian vocabularies’ mostly consisting of the words ‘si’ and ‘molto bene.’ (only joking Italian teachers, we have certainly learnt more than during the years spent in your Italian classes.)

Our time in Rome showed us things you can’t truly appreciate until they are before your eyes. Like il Colosseo, the ruins of Rome, il Vaticano, the Pantheon, Santa Maria Novella and so much more! Looking at Rome is like looking at a painting. The stunning architecture that filled every part of the city blew us away.

After Rome we stopped by Pompeii where we were given a guided tour and learnt so much about its history. From there we headed to Sorrento, where we had an amazing hotel right by the water, took part in a gelati making class and got to take a ferry across to the stunning island of Capri.

In the middle of our trip we went to a farm house in Orvieto, a town in the countryside. This was a good rest for us compared to Rome and Sorrento where there was lots of walking to do! It also allowed us to prepare for all the walking that was to come in the second week of our trip! We even got to meet some of the people who lived at the farm house, like an adorable 9 year old girl named Victoria who we communicated with through the Italian we knew and the English she knew! And two Italian ‘nonnas’ who shared with us some of their Italian cooking skills! Although, the highlight of Orvieto would have to have been when the girls locked the keys inside the farmhouse. Mr Conway had to stand with Matt S on his shoulders to get him into one of the upstairs rooms which had an open window for him to climb through. I don’t think there was a single person that wasn’t laughing at that moment, it was truly legendary, I must say.

On our way out of Orvieto we had a quick look at the Leaning Tower of Pisa and then continued to La Spezia. This is the where we got to see Le Cinque Terre with its colourful houses in the mountains by the water, just like you would see in the famous postcard pictures! Our hotel dinner in La Spezia was definitely a memorable one. Who would have thought waiters and chefs would be pumping out their best dance moves for the Aussie tourists... And better still... Who would have thought the teachers would join in and show off their dance moves as well! Then it was the students’ turn. First came Zorba the Greek and then before we knew it we were all in a line snaking around the room!!!!!

After leaving La Spezia we headed straight for the Ferrari Gallery in Maranello on the way to Venice! Then after looking at lots of old and new Ferraris on display in the gallery we were lucky enough to get a ride in one! It was hard to stop smiling when the wind was blowing through our hair as we sat in striking red Ferraris with the roof down zooming through the streets of Maranello!
Next on our itinerary was the beautiful Venice where we rode a Gondola along the canals whilst Mr Conway sang opera, receiving a clap from the people eating at the restaurants we passed. We also took a water taxi across to the island of Murano, where the famous Murano glass is made, and then Burano, famous for its making of lace.

Finally, after 2 weeks, we ended our fantastic trip in Milan where we went to Lake Como and also visited Il Duomo, which was a magical experience walking into the cathedral and hearing the choir angelically singing. After stopping by Il Duomo we got to do some speed shopping as we didn’t have much time until we had to get back on the plane and head to Doha, and then home to Melbourne. We were all excited to get home and see our friends and families but it was sad leaving the beautiful country that we had so fortunately been able to call home for two weeks. Not only would we miss the architecture, the pizza, or the gelati, but also being together as a group and having so many laughs and good times with all of our friends!

What an incredible trip we all had. But it wouldn’t have been possible without the staff that came along. So, grazie mille to the staff members: Ms Rutherford, Mr Conway, Mr O Donnell, Nicole Waldron and Rhys Bailey! Your efforts were greatly appreciated by all the students.

And by the way, if you are thinking about joining Greensborough College’s next Italy Trip, the best advice is to go for it! Even though thinking about being so far away from home can be daunting, I promise that you will not regret it! It truly is a once in a lifetime experience where you can make new friends, learn more about Italy and make so many invaluable memories! I know that I will never forget the time we had in La Bella Italia!

Arrivederci!

Intermediate Boys Basketball: Northern Metropolitan Sports Region Champions!!

The Intermediate Boys Basketball team participated in the Northern Metro Regional Finals on Thursday 15th October after a clean sweep of the Banyule Division during Term 2. Being drawn to play in a pool containing Gladstone Park, Whittlesea and Princes Hill, the day began poorly after losing Ethan Dudgeon (10A) to illness and Robbie Davey (10B) to an injury during the first two minutes of our first game against Gladstone Park.

Down at half-time against a hot shooting Gladstone Park, the Greensborough Boys went to work on the inside, driving hard, drawing fouls and taking open shots. With some Greensborough College parents cheering their boys on, they also began to dominate on the other end by being active and disciplined on defence by blocking shots, forcing turnovers and rebounding strongly. After storming home in the second half Greensborough defeated Gladstone Park 45-34.

The Intermediate Boys didn’t look back, comfortably defeating Whittlesea (40-31) and Princes Hill (55-30). They played Northcote who topped the other Pool and easily won 38-19 in the Final.

On the day Keli Leaupepe (9B) starred for the team as a huge inside presence on both ends of the court. Shannon Waldron (10A), Oscar Kagunya (10A), Hamish Rees (10B) and Alex Williams (10C) played strong inside/outside games: driving strongly, drawing fouls, blocking shots, making mid-range shots, dominating the rebound count and causing problems on defence with their height, strength and athleticism.

Lachlan Williams (9D), Zac Lucas (9D) and a bit of Nathan Aldridge (10A) flair controlled the tempo and looked after the basketball; pushing on the fast break as well as being patient in the half-court. They were also a handful for defenders as they hit wide-open shots but often also blew by defenders on their way to the basket. Ethan’s shooting and Robbie’s court time were missed but it didn’t prevent the team from remaining unbeaten.

Off to the next round!

Well done to the whole team and a thank you to Thomas Weir (10E) for being the team ‘scorer’ for the day.
Recently, the Greensborough College Cheer Squad competed at the State Cheerleading Titles at the Melbourne Sports and Aquatic Centre. Cheerleading is a sport that includes stunting (throwing people in the air), tumbling, jumps and dance. It is a sport that is increasing in popularity and at the recent State Championships, 4800 athletes competed.

The College Cheer Squad finished 3rd at the State Championships and are now training to compete at the National Championships in Melbourne in November.

The Squad will be at the Fair on Saturday so find us on the oval and see what all the CHEER is about.

‘What’s On’ NEW!

Tuning in to Teens™
Emotionally Intelligent Parenting

Would you like to:
• Communicate better with your teen?
• Understand your teen?
• Guide your teen in managing their emotions?
• Teach your teen to deal with conflict?
• Help to prevent behaviour problems?

Our six week program for parents of adolescents aged 10-18 years, Tuning in to Teens™ teaches you how to help your teen develop emotional intelligence.

Adolescents with higher emotional intelligence:
• Are more aware, assertive and strong in situations of peer pressure
• Have a greater success with making friends and are more able to manage conflict with peers
• Are more able to cope when upset or angry
• Have fewer mental health and substance abuse difficulties
• Have more stable and satisfying relationships as adults
• Have greater career success

INVITATION
You're invited to the launch of

Diamond Valley Autism Support Group

The Diamond Valley Autism Support Group (DVASG) has been set up to provide support information for carers and parents, and those working with individuals with Autism Spectrum Disorder (ASD), as well as activities and social skills development for teens and adults with ASD, and guest speakers. We are a new group for the north east of Melbourne.

We're launching this exciting new project in Greensborough, so come along, have some fun and find out more:

- Hear from our guest speaker Murray Dawson-Smith (Consultant and former CEO of Amaze) about the best ways he has found to support people with Autism
- Hear from others who are on the spectrum, as well as parents, carers, and others who work in the area
- Find out where regular meetings will be held and pick up a calendar
- Enjoy a friendly welcome, a cup of tea, coffee or chocolate and some nibbles
- Find out more about what you can gain from participating in the meetings and how to join in

WHERE: Diamond Valley Learning Centre (DVLC) Greensborough
Car Diamond Green & St Helena Road)

WHEN: Friday 23rd October, 6:30 pm for a 7 pm start (thru to 8:30 pm finish)

RSVP: email info@dvasg.net.au for further details & to register with your name, suburb, email & phone number. Or register via our website www.dvasg.net.au

There is no charge to attend. A gold coin donation would be appreciated.

Can't make it on the night but want to know more? Send us an email or call us - Katherine - 0439 652 680, Kerryn - 0409 077 777 or Sheryl - 0400 237 688

Community Leaders in Sustainability – applications open now

Banyule City Council is offering a free environmental training course in early 2016 for people who have ideas for environmental projects in their community.

The course runs from February to May 2016 and aims to support community members to take the lead on creating environmental change.

A community project involves members of the community taking action to improve, protect or nurture their natural environment, or to reduce their impact on the environment. Some past project examples include:

- starting a community composting system where people can take food waste
- opening a community art studio with re-used and re-cycled art materials
- creating an online map of environmental and community groups
- designing a community food garden at a local school
- running walk and ride to school events at local schools
- uploading bicycle routes onto Google maps and promoting to cyclists
- starting a kitchen garden at a workplace
- running a bicycle repair pop-up
- working with local businesses to reduce plastic bag use
- helping workplaces adopt non-disposable coffee cups for staff.

There will be 8 workshops on topics like project management, leadership, grant writing, marketing and communication, effective group work as well a range of aspects of environmental sustainability. The participants will be supported to put their projects ideas into practice.

WHAT’S IN IT FOR ME?
- Free training
- Increased knowledge and skills in running projects and environmental sustainability
- Expanded knowledge and networks in your community
- New friends who care about community and environment
- A lot of fun

Connect, Grow, Eat, Enjoy!

Sign up to be a Grower and celebrate the summer harvest at the Home Harvest Feast on 28 February 2016.

We are looking for volunteers to grow and supply the produce for this harvest feast.

No matter your level of experience or how green your fingers are, everyone is invited to take part and get growing and plenty of advice and support will be provided to all.

In return for your efforts, you will get to enjoy the fruits of your labour at the Home Harvest Feast, where trained chefs will turn the harvest into a feast of culinary delight!

Interested? Of course you are!
